Hi again folks,

I'm told by Jacaranda West that some work will be done around the **entry circle** for the next few days. It could begin as early as Thursday (June 18) and will continue Friday and Monday...maybe longer depending on the weather.

Jacaranda West will be:

1. pressure washing the circle and sidewalk
2. doing some repairs on the circle
3. After this is done they will be putting a sealer on the circle to protect it. It should take about 8 hours for the sealant to dry.

Jacaranda West says that there will be traffic in and out at all times during this period though either entry or exit may be limited to one side of the guard house or the other.

Please use caution during this period.

Thanks for your cooperation.
