Hi fellow Woodlakers,

For those of you at Woodlake now, you probably know that the hot tub has been closed for two weeks due to a leak.

This Thursday we are having it "*hopefully*" fixed. I'll let you know when it's ok to use it again. After being fixed it will take a day or so to get back up to temperature and get the chemicals in balance.

I thank you for your patience.

In the meantime, the pool is fine!

All the best,

Denny
