Hi all,

Our new equipment was installed for the Hot Tub last night. Work was completed around 10:00 PM.

As of **3PM today** the Hot Tub (SPA) is open for enjoyment.

Our new equipment will ensure that the chemicals are monitored 24/7. The temperature is now set for the maximum of 103 degrees. We're trying our best to be as "state of the art" as possible.

Thanks for your patience!
