Hi Woodlakers,

Woodlake has three areas where residents can put yard waste. (I'm NOT talking about recyclables or trash.)

Jose Lovo, our landcapter, picks up this yard waste and takes it to the dump for us.

Jose has reminded us that we can **NEVER put yard waste in plastic or paper bags**. Please remember that **NO plastic or paper** of any kind can be mixed with yard waste. Just put the yard waste in the pick up area loose.....not in bags.

If anyone does not follow this Jose will not pick up the waste.

Again, this message has nothing to do with our trash or recycle bins.

Thanks for your cooperation.

Denny
